2022 Grant Recipients

Altadena Library Foundation

The Altadena Library Foundation provides support to the Altadena Library District's Curiosity Connection. This library branch on wheels delivers library services across Altadena, bringing literacy tools and educational programming to families in all corners of the community.

Assistance League of Pasadena

The Assistance League of Pasadena provides philanthropic programs for the community. Their signature program, Operation School Bell, provides clothing, books and school supplies to low-income children in the Pasadena area and is managed and staffed by volunteers.

Boys & Girls Club of the Foothills

The Boys & Girls Club of the Foothills provides programs for youth development that foster self-esteem and self-confidence. Their Triple Play Sports League fosters competitive sports play of flag football, soccer and basketball for grades 3-5 in the Monrovia/Duarte area. In addition, the curriculum emphasizes healthy habits, goal setting, confidence, the importance of fitness and exercise and teamwork.

Clazzical Notes

The mission of Clazzical Notes is to create engaging, educational and experiential music and artistic performances that foster community understanding across diverse cultures, genres and generations. The musical collaboration, "Three Communities, One World," will explore how performers from different ethnicities and communities can express their unique identities and influences through music.

Club 21 Learning and Resource Center, Inc.

Club 21 provides educational tools and resources for individuals with Down syndrome. The organization has some of the most innovative education and literacy programs including Educational Partnership, Stepping Up and Every Child a Reader (ECAR). These programs provide access and opportunity for preschool, elementary, middle and high school students with Down syndrome to be fully included in classrooms with their typical peers.

FOUNDATION

Don Benito Elementary School

Don Benito Elementary School strives for the development of the whole child and provides a curriculum built upon research-based best practices that integrate the arts, technology, innovation and social-emotional learning. The community partnership with the Armory Center for the Arts will provide all students with the opportunity to have a direct learning experience with the visual arts.

Eliot Arts Magnet Academy

Eliot Arts Magnet Academy cultivates the academic achievements of middle school students through music, dance, theater and visual arts. The school will replace instruments that are beyond repair and increase inventory to meet the growing enrollment in their popular arts academy.

Girls on the Run of Los Angeles County

Girls on the Run Los Angeles County (GOTRLA) provides safe environments for girls in Grades 3-8 to learn skills and habits that support physical, mental and emotional growth. Using proven curricula for their programming, GOTRLA helps girls develop healthy habits, tap their potential and positively influence their communities.

John Muir High School Alumni Association

The John Muir High School Alumni Association supports the John Muir athletic program with medical supplies for the new athletic trainers. They will also supply an ice machine for their football/track Field and baseball field. They will also provide an updated weightlifting machine for all Muir's athletes to use.

Lineage Performing Arts Center

Lineage Performing Arts Center strives for a community where the arts are accessible to all. This includes making sure its patrons have equitable access to arts education. Lineage will continue to provide its Dance for Joy program, a successful series of free weekly dance, singing and acting classes for seniors in the Pasadena area who are living with Parkinson's, Multiple sclerosis, traumatic brain injuries and stroke.

FOUNDATION

Move A Child Higher, Inc.

Move A Child Higher (MACH1) is dedicated to bringing self-confidence, physical strength and emotional well-being to people with disabilities through equine-assisted activities and community involvement. MACH1 will build an Activity Shed to store saddles, tack, and art materials for the occupational therapy games used in the mounted, unmounted and educational learning activities.

Oakwood Brass - Outreach Project

Oakwood Brass - Outreach Project provides musical opportunities for the community-at-large, including schools and senior centers. It will partner with 13 schools in the Pasadena Unified School District to bring concerts to students Grades 4-6 and coaching for enrolled brass students in Grades 5-12.

Pasadena Area Reading is Fun-Damental

Pasadena Area Reading is Fun-Damental is organized exclusively for the educational purpose of literacy for young children. Every year, three books are purchased and distributed to each second-grade student enrolled in the Pasadena Unified School District to take home and build a home library.

Pasadena Educational Foundation

The mission of the Pasadena Educational Foundation (PEF) is to achieve excellence and equity in all Pasadena Unified School District schools. On behalf of Blair High School, PEF will purchase a new timing system for the Blair High School pool that will be used by the swim and water polo teams for practice and team competitions.

Pasadena Panthers, Inc.

Pasadena Panthers, Inc. has a rich history and tradition of preparing young men and women for college and life after college through specific physical, mental and emotional activities and training. They also train and prepare for competitive sports competitions each year. The Panthers will purchase new shoulder pads and helmets for the children and provide them with new, safe equipment.

FOUNDATION

Pasadena Senior Center

The Pasadena Senior Center improves the lives of older adults through caring service and opportunities for social interaction, recreation, basic support and needs services, education, volunteerism and community activism. Its patrons will enjoy the Summer Concert Music Series, a series of free evening concerts targeted at the senior population. The concerts are held in Old Pasadena, with programming reflecting the cultural and demographic diversity of the community.

Pasadena Southwest Little League

The Pasadena Southwest Little League provides a positive youth sports experience for every child regardless of ability. They will purchase a new scoreboard with up-to-date technology.

Ronald McDonald House Pasadena

The Ronald McDonald House supports the health and wellness of children and families. They will expand the existing bike and wheelchair space for the children living in the House for a more inclusive environment.

The Fund for Partnership for Success!

The Fund for Partnership for Success! hosts a fully-funded summer enrichment program, year-round tutoring and robust college counseling. The program is designed to help selected, low-income PUSD students realize their full academic potential and gain the skills necessary for college admission and economic mobility. This year, it will expand its summer enrichment program to include a social/emotional learning curriculum to address the disproportionate educational impact the pandemic has had on lower-income students.
